CBYRA Vendor Agreement

Each vendor who wishes to sell its products at a CBYRA function will need to be approved by the CBYRA in advance. This approval includes a review of the products to be sold and prices. All vendors approved by the CBYRA will sign this agreement prior to being allowed to sell its products. The CBYRA reserves the right to refuse any/all vendors for any reason without explanation.

As an approved vendor, you are required to return a **minimum** of 10% of your total sales back to the CBYRA. The CBYRA also reserves the right to charge a set up fee in addition to requiring a 10% return on the vendors' products sold. This profit (10% and setup fee if applicable) must be paid to the CBYRA no later than 30 days from the date of completion of the approved function. The CBYRA does not accept responsibility or liability that may result from this agreement.

By signing below, you agree to uphold the requirement of this agreement which is considered a formal contract between the said vendor and the CBYRA.
